FGA Collaborates with New Era Cap

Our Agency, Football Greats Alliance, helped secure Vikings legends Cris Carter and Daunte Culpepper to assist with the design of these New Era Caps! They unveiled the caps for fans in Minneapolis prior to Super Bowl LII, taking photos with many and signing autographs! The Greater Good Fund, our 501(c)(3) charitable foundation focused on developing health, welfare and educational programs for retired players, receives 25% of net proceeds from cap sales.
