### PFRPA Retired Player Profile

We created the Retired Player Profile so we could receive feedback from our members. You would be able to provide us with your background information, but you're also able to tell us which programs and benefits to vet on your behalf. We also want to know about your unique life stories and achievements, both in college and the NFL. Once we receive your profile, our agency, Football Greats Alliance, will seek potential group licensing opportunities for you. If you haven't completed a profile, download the form by clicking or entering the following link into your browser: [goo.gl/2gjZLy](http://goo.gl/2gjZLy). You may return the form to us via email, fax or standard mail (contact info above).
