APRIL 2018 MEMO

Doug Williams 30th Anniversary – Super Bowl XXII MVP

Mitchell & Ness has partnered with the Football Greats Alliance (FGA) to offer products to commemorate the 30th Anniversary of Doug Williams' MVP performance in Super Bowl XXII. FGA secured Williams to make an appearance at DTLR (an urban retailer), where he signed autographs and took photos with fans. The Greater Good Fund (GGF), our 501(c)(3) charitable foundation, receives a portion of the net proceeds from the sale of these Mitchell & Ness products, as well as a portion of Williams' appearance fee. For more information on the GGF and for latest news and updates, visit www.footballgreatsalliance.com.

Healthy Body & Mind Screening Program – Dallas, TX

The next Healthy Body & Mind Screening is taking place at the Hilton DFW Lakes Executive Conference Center in Grapevine, TX, from April 27-28, 2018. If you plan on attending, be sure to pick up a PFRPA Dental Plan brochure from Dana.

Brain Health Study at Harvard University

The purpose of the Brain Health Study is to gain a better understanding of brain health in retired NFL players. This Study offers a series of online assessments that evaluate memory, attention, personality and temperament. Participation in the Study is completely confidential. Please note that testing takes approximately 45-60 minutes total, and all tests must be completed on a computer. To sign up for the Study, click or enter the following link into your browser: goo.gl/wmEbNN. For more information, call (617) 432-5000 or visit www.footballplayershealth.harvard.edu.

PFRPA Dental Plan | MetLife Oral Health Library

[Flash! We will soon announce a major improvement to the PFRPA Dental Plan.] The MetLife Oral Health Library provides access to an extensive collection of oral health educational articles and assessments. To access the Library, click or enter the following link into your browser: www.metlife.com/mybenefits. Under Account Sign in, type "Pro Football Retired Players Association" and hit Submit. Click the dropdown arrow on the "Commitment to your oral health" label, and then click the MetLife Oral Health Library link.

PFRPA Retired Player Profile

The Retired Player Profile allows you to tell us which programs and benefits to vet on your behalf. Complete a form to tell us about your unique life stories and achievements, both in college and the NFL. Once we receive your Profile, our Agency, Football Greats Alliance, will seek potential group licensing opportunities for you. If you need a Profile, download the form by clicking or entering the following link into your browser: goo.gl/RnoC7f.
