Pension Survey (Confidential)

We created a brief pension survey to help us obtain insightful information from you, so we can better understand the pension situation for retired players. If you haven't already, please take the survey and then share the survey link with other retired players, even if they were in the NBA, MLB or NHL. We want to identify the differences in pensions received by retired athletes, across professional sports, during similar time spans. All survey responses are **confidential** and may be completed **anonymously**. Please take the survey by clicking or entering the following link into your browser: goo.gl/ZfNpTe.

FGA – New Era Cap Collaboration Featuring Tony Dorsett

The Football Greats Alliance (FGA) secured an opportunity for Dallas Cowboys legend, Tony Dorsett, to make an appearance for New Era Cap at AT&T Stadium before the 2018 NFL Draft. Dorsett signed New Era Caps for fans at the Draft Experience, just prior to the start of the Draft. The caps were the same as the official team slogan draft caps given to players drafted in the first round. The Greater Good Fund (GGF), our 501(c)(3) charitable foundation, received a portion of Dorsett's appearance fee.
