Message from the Executive Director

Dear Retired Players,

Excitement comes with the start of the 2018 NFL season for 32 teams and their loyal fans. To add to that excitement, we are looking forward to sharing some important news with you in coming months. Please be on the lookout for important updates, as details on the news will be provided via mail and email correspondence. Reading our monthly memos and following us on social media are also great ways to stay informed.

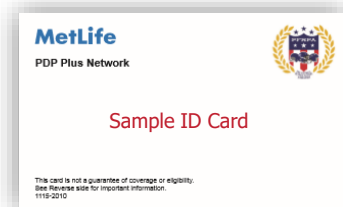

I want to thank those who have shared their experiences and positive feedback regarding our current benefit, the PFRPA Dental Plan. Your input helps greatly and motivates us to continue delivering a truly worthwhile benefit. Below we highlight our PFRPA Dental Plan Customer Service. Please continue to call us with your questions. Lastly, please be sure to read the FGA Wins section below for a huge development with Fanatics, in collaboration with our licensing Agency, the Football Greats Alliance (FGA). As a reminder, portions of all proceeds from FGA-secured deals go to the Greater Good Fund, our 501(c)(3) charitable foundation that is designed to fund programs and benefits for you! Learn more at www.footballgreatsalliance.com.

Thank you for spreading the word about PFRPA. Word-of-mouth helps greatly, especially when it comes to sharing news of available resources. Your support is important to us, and as always, we welcome your input and feedback.

Thank you,

Bob Schmidt
Executive Director

FGA WINS

FGA & FANATICS COLLABORATION

FGA has worked with Fanatics to enhance their selection of retired NFL player apparel. Aimed at celebrating the greats who built the game, FGA helped secure more than 250 retired players for the program. This helped build one of the more robust offerings of retired NFL player jerseys, t-shirts & collectibles on the market. In addition, The Greater Good Fund receives 25% of the net proceeds.
