OCTOBER 2018 MEMO

PFRPA Vision Plan ** Coming Soon **

Pro Football Retired Players Association is happy to announce the launch of the **PFRPA Vision Plan**. This newly-established benefit will be available to you starting on January 1, 2019, but open enrollment will begin on November 1, 2018. The PFRPA Vision Plan, which will be administered by VSP Vision Care, will be solely offered to you as a retired NFL player. In a few days, you will receive further information explaining the benefit and application process. Reading these monthly memos and following us on social media are great ways to stay informed. Please spread the word to your former teammates and fellow retired players, as they may also be eligible for this great benefit!

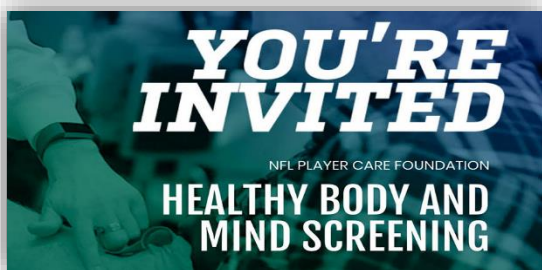

PFRPA Dental Plan | MetLife Oral Health Library

Your oral health is an important part of your overall health. With the MetLife Oral Health Library, you have access to an extensive collection of oral health educational articles and tools that can help you learn more about the importance of your oral health. You may also complete risk assessments to calculate your risk score for periodontal disease or tooth decay. You can then utilize the PFRPA Dental Plan to discuss the results with your dentist during your next appointment. Wendy's 2018 College Tailgate Tour

The Football Greats Alliance (FGA) worked with IMG College to help power the 2018 Wendy's College Tailgate Tour. Throughout the 2018 college football season, the Tour will offer fans an interactive pregame experience featuring food, music, games and special guest appearances by football legends from 12 schools. FGA has secured five former players to make an appearance at their alma mater, and will secure another five players over the course of the season. A portion of the appearance fees go to the Greater Good Fund, our 501(c)(3) charitable foundation, which will help fund programs and benefits for retired NFL players.
